FUNCTIONAL AGING SPECIALIST CERTIFICATION

WORKSHOP

CODY SIPE, PHD, AND DAN RITCHIE, PHD

The rapid growth of the aging population (age 50+) presents unprecedented opportunity for the fitness professional who understands how to train these clients effectively. This comprehensive and innovative certification program is just what you need to become an expert in functional fitness for mature adults.

Boomers and aging adults come to you for your expertise. This interactive workshop will give you the tools and teach you the skills necessary to implement functional training techniques, strategies and movements that are important to your aging clientele. Also, learn to conduct meaningful functional assessments and develop effective exercise programs. Whether you conduct private trainings, small-group trainings or group fitness classes, the techniques learned in this valuable certification will serve you and your clients for years to come.

Participants will get full access to all of the online education modules (10+ hours of video, manuals, audio files), several of which will need to be completed prior to the workshop. This certification also requires participants to complete an online exam.

- Participants will receive an FAI certification at the completion of the online exam.
- Participants will receive an IDEA Certificate of Completion.

This session has been approved by the following agencies: ACE 0.8, ACSM 7.0, ACTION 0.8, AFAA 7.0, AFPA 8.0, BCRPA 8.0, CHEK 8.0, FAI 8.0, IFPA 8.0, ISSA 8.0, NAFC 0.8, NAFTA 7.0, NASM 0.7, NBHWC 8.0, NCEP 8.0, NCSF 4.0, NESTA 0.8, NETA 8.0, NFPT 1.6, NIEW 0.8, NSPA 8.0, PTAG 8.0.

CARDIO COACH CERTIFICATION COURSE BY STAR TRAC®

WORKSHOP

SONJA FRIEND-UHL

The cardio equipment in a fitness facility can be used for a variety of different training purposes. And there are applications and best practices for steady-state, interval and variable modality training, each with its own benefits and outcomes. The new Cardio Coach Certification Course by Star Trac teaches coaches how to choose the right cardio modality for their clients based on individual goals, abilities and preferences. Join competitive runner, health coach and fitness instructor, Sonja Friend-Uhl, to gain an in-depth understanding of the benefits of training on different cardio equipment and how to choose the right modality for each client. She will also guide participants on how to perform basic assessments, including a functional movement and screen, as well as to design and coach appropriate and safe cardio training programs for all clients.

- Participants will receive an IDEA Certificate of Completion.

DAN MCDONOGH

Five Keys to Leadership Mastery

SATURDAY • 3:20–4:20PM *Pacific Time*

The fitness industry is competitive, demanding and ever evolving, which requires us to be at our best every day. We need to learn how to do less better to not only help our clients achieve their goals but to ensure we have the physical, mental and emotional capacity to meet the demands we face daily both at work and at home. Award-winning fitness professional Dan McDonogh will share with you the five key elements that have helped him build a fulfilling and rewarding career.

KELLIE WALTERS, PHD

Body Inclusivity: More than a Movement

Sponsored by Zone Perfect®

SUNDAY • 10:30–11:30AM *Pacific Time*

Behavior change is deeply rooted in our sense of self and in order for fitness professionals to help their clients make more positive health behavior changes, they must understand how body image—their clients' as well as their own—influences decision making and client interactions. In this impactful session, Kellie discusses the current body image culture within the fitness industry and shares ways to interact with clients to ensure a body-inclusive space.

MICHAEL PIERCY, MS

Be a Playmaker: Take Your Career to New Heights

SUNDAY • 3:30–4:30PM *Pacific Time*

Want to take your fitness career to the next level? Want to make a lasting impression? Learn the lessons acquired from life and sport that can help get you in the game, make smart plays and implement strategies to secure lasting career success.

FAQs

WHAT ARE THE DATES AND HOURS OF THE VIRTUAL EVENT?

All times listed will be **PACIFIC TIME**. This is a live event. The time in your location could differ from the listed times so please update your calendar accordingly.

The date and hours of this event are:

SATURDAY, MARCH 6: 6:15am–5:30pm *(Pacific)*

SUNDAY, MARCH 7: 6:15am–5:00pm *(Pacific)*

HOW DO I ENTER THE IDEA PERSONAL TRAINER INSTITUTE VIRTUAL EVENT PLATFORM?

You will receive a reminder email with a link and instructions prior to the event. Your **EMAIL ADDRESS** and **CONFIRMATION NUMBER** will be your access into the virtual event space. The virtual event space will be open at **5:45am (Pacific) 90 minutes prior to the start of sessions** each day. We recommend you use this time to navigate the space, test your internet connection and familiarize yourself with the functionality. Once you've signed into the virtual event, create a profile, browse around the virtual event spaces and get ready for 2 days of education, events and networking!

WHAT HAPPENS IF YOU HAVE TECHNICAL ISSUES DURING IDEA PERSONAL TRAINER INSTITUTE VIRTUAL?

There will be a virtual "help desk" available at all times during the event. If you are experiencing any technical difficulty, there will be live staff ready to help you troubleshoot issues.
